Objective

Motivated Computer Science undergraduate (2026) seeking a Data Analyst Internship with PPO. Strong foundation in data analysis, statistics, and programming with hands-on experience in data visualization, data cleaning, and deriving insights using tools like Python, SQL, Excel and Power BI. Familiar with concepts such as databases such as MongoDB (basic). Passionate about transforming data into actionable insights to support business decision-making.

Education

B.Tech in Computer Science, GITAM University, Bangalore CGPA: 7.5/10	2023 – 2027
Intermediate (85%), Ignite junior college, Hyderabad	2021 – 2023
Secondary School (60%), Good shepherd E.M School, Nandyal	2020 – 2021

Skills

- **Programming Languages:** C, Python
- **Frontend Technologies:** HTML, CSS
- **Databases:** MongoDB (Basic), MySQL
- **IOT:** ESP32, Arduino
- **Data & Analytics:** Power BI, Data Visualization, Excel
- **Tools & Version Control:** Git, GitHub, VS Code
- **Soft Skills:** Problem Solving, Team Collaboration, Good Communication, Willingness to Learn new things.

Experience

- Collecting the last data of the cars selling of tatamotors** July 2025 – september 2025
- Taking the data and making it analyze and showing there data where the problems in the selling.
 - The data is saved and worked with the collabarted with my friends.

Projects

- Saline Monitoring System (Technologies: ESP32 (Node MCU), IoT Embedded Systems, Sensors, WiFi.)**
- Developed an IoT-based system to monitor patients' saline levels in real time.
 - Implemented Wi-Fi communication to send automated alerts to a mobile application and trigger a buzzer when the saline is low.
- Attendance System for Rural Schools (Full stack)**
- Built full stack web application using HTML, CSS, JavaScript, Database (MySQL), Iris Recognition, Web Application.
 - Developed a web-based attendance system using iris recognition to automatically record student attendance.
 - Improved efficiency and accuracy compared to manual attendance and supported tracking for the Mid-Day Meal program.

Extra-Curricular

- Analytic Manager Lead – Digital Dialogue Club (Managed to collect the data of the event and positives and negatives after the event)
- NSS Volunteer (2023–2027)
- Vlogger and memer

Certifications

CISO Networking | Smart India Hackathon |
